Features & Functions:

Super Sharp Blades

Prestige mixer grinder is provided with interchangeable blades. This feature will help you change the blades based on your grinding requirement and also makes it easier to clean after using. The blades will grind the substance with ease. Chopping and churning blades are also provided.

Anti-Skid Feet

The base of the Prestige Mixer Grinder is fitted with rubber grips which ensure that the appliance does not move from its position while in use.

Powerful Universal Motor AC supply:

The powerful 750W universal motor which operates with the AC supply of 220-240V, reduces the hysteresis in the motor core resulting in less temperature rise, thereby increasing the life of the motor
